

NOTICES TO RESIDENTS / PROPERTY OWNERS / PROPERTY OCCUPANTS

Date: 8/8/22

Subject: City of Sunnyvale – Citywide Water Line Replacement 2021 Project

14 day notification

This notice is to inform you that the City of Sunnyvale has contracted with Ranger Pipelines, Inc. to replace the water infrastructure in your neighborhood.

Construction activities are scheduled to begin on your street on **08/22/22**. Normal construction hours will be between 8.00 a.m. – 5:00 p.m., Monday through Friday.

During construction hours, no parking zones and other temporary traffic control such as road closures and/or detours will be implemented for safety. **You will always have access to your driveway/property** during construction operations.

Water service to your residence or business may be intermittently interrupted during the switch over to the new water main. Ranger Pipelines will coordinate the service interruption and provide written notification 48 hours in advance of any scheduled service interruptions.

Ranger Pipelines and the City of Sunnyvale apologize for any inconvenience due to the construction activities. If you have any questions or need assistance as construction activities progress, please call Gavin on the number listed below.
