

Continuing Bedfordshire  
Supply List

A cookie pillow works best for Beds bobbin lace. A 20" is sufficient for all the patterns.

Beds is traditionally made with Midland bobbins but use what you are comfortable with.

All the patterns are sized for Egyptian Cotton 36/2 or comparable. If you wish to use DMC or Lizbeth 80 thread then enlarge the pattern to 115%. Wind about 2 yards per bobbin.

Bring your pins, crochet hook, scissors, pin lifter and your usual lace making tools.

A more detailed list will be sent with the pattern packet.
