

## Winter Wonderland Tatting Supply List

### Preparation:

For technique practice:

- 1 or 2 shuttles wound with size 3 or 10 to practice new techniques

Christmas Tree (size 20):

- One shuttle wound with brown, such as Liz Metallic Mocha Brown, (or choice of color for tree trunk)
- Two shuttles wound CTM green, such as Liz Metallic Christmas Green, (or choice of color for tree) and strung with 60 beads (11/0 pictured) for ornaments and 1 star bead (8mm from point to point) for tree topper (if you wish to have the thread hidden in the star, you will need one additional ornament bead that you will thread through and then back down through the star before winding the green shuttle. The star should be the first bead you will reach on the shuttle when tatting.

Ballerina (Nutcracker Ballet):

- Color options (all threads size 20):
  - Tri-color (as pictured):
    - 1 shuttle of skin tone
    - 1 shuttle of hair color
    - 1 shuttle of skirt color
  - Variegated or single color (size 20):
    - 2 shuttles wound CTM

Candy Cane (size 20):

- 1 shuttle red, such as Liz Metallic Christmas Red
- 1 shuttle white, cotton or Liz Metallic Iridescent

Jewelry findings:

- 2 earring wires
- 2 jump rings (4mm pictured on ballerina and 6 mm pictured on candy cane)
- 2 necklace chains
