

Beginning Binche Supply List
Sally Schoenberg

Supplies:

Cookie pillow at least 19 inches in diameter with one whole-circle cover cloth plus a half-circle cover cloth for covering the pricking

To make all three patterns: 31 pairs of bobbins with bobbin holders to suit style of bobbins

Egyptian cotton 40/2 or 50/2, 3 yards on each bobbin wound as a single

Lace pins and divider pins

File folder or cardstock for prickings

Include a Voodoo board in your supplies if you find diagrams difficult: a cork or similar board covered with a color copy of the diagram. For marking your place, use a pencil and colored sticky arrows. Pins are popular with voodoo board users, but it's impossible to see where you are when there are many pins in place when using Zoom.
