

Valsesian Puncetto

Supply List

- 1 ball Aunt Lydia's Crochet Cotton Classic 10 – light green, light blue, pink, medium yellow – your choice. [Note: Lizbeth or DMC 10 or similar aren't good substitutes. They're tighter and thinner (6ply vs 3 ply) and aren't good for this beginner class.]
- 1 5" x 7" piece of 28-count even-weave fabric – any color (use 14-count Aida if you must)
- 2 or 3 #24 tapestry needles
- 1 or 2 straight pins
- Needle puller or 2" square of a common balloon (used to pull the needle through when necessary. I have a small hemostat that does the job for me)
- Fine pointed sharp embroidery scissors
- Pencil & paper
- Magnification highly recommended
- Good lighting
