

Let's Get Started Designing Torchon Patterns

Karen H Thompson

Supplies:

1. Graph paper, 5 mm (or larger)
2. Plain note paper
3. Mechanical or regular pencil
4. Eraser
5. Colored fine-tip pencils or markers in black, red, green, and blue or purple
6. Paper scissors
7. Clear, matte adhesive tape
8. Clear ruler (optional: protractor, compass, flexible ruler, and triangle)
9. Small mirror without a frame for constructing corners

Technical: It is highly recommended that you have a fairly large computer monitor, such as a desktop, laptop, iPad or tablet for viewing the demonstrations, plus a camera, such as your phone camera, mounted over your work. That will allow you to get feedback on your work from the teacher.
