

Supply List for
Milanese Beginners Braids
Milanese Continuing Beginners Flame
Milanese Continuing Beginners Swirly Heart

Bobbins:

Students will need 14 pairs of bobbins wound with either Finca 40 or Finca 60 thread or suitable alternative. For guidance Finca 40 is 29 wpc and Finca 60 is 38 wpc. You may use whichever bobbins you prefer; I use Midlands bobbins with small spangles as my personal preference.

You will also need the usual lacemaking equipment; I recommend the following items:

Round (cookie) pillow, minimum size 18" diameter, but also avoid a pillow that is too large. You turn the pillow quite a bit when working this type of lace.

Pins. For Finca 40 I recommend a torchon pin (26mm x 0.6 or 0.59) and for Finca 60 I recommend a finer pin (26mm x 0.5 or 0.53)

For the Flame and Swirly Heart:

You will need a 0.6mm crochet hook for Finca 40 or a 0.4mm crochet hook for Finca 60. You may use a lazy Susan (lazy maid) if you prefer.

I recommend a circular cover cloth with a central hole if you have one.
